## PROFESSIONAL BACKGROUND

I specialize in working with the trial team, specifically the lead attorney to ensure a seamless and efficient presentation of evidence is demonstrated during trial. All trial documentation, video, audio, and graphics are prepared and organized in the most useful format. I collaborate with the trial team for opening and closing presentations, to ensure the evidence is best presented in the clearest way for the jury. I assist the trial team with preparations of evidence for direct and cross examinations of witnesses. I implement an IT strategy to provide the necessary presentation equipment that will allow the jury to see the evidence in the best way possible. I appear in court with the trial team ready and willing to present evidence when needed, in the courtroom.
