PROFESSIONAL BACKGROUND

My experience includes planning and implementing the most effective trial presentation technology for use in the courtroom today. I specialize in working with the lead attorneys and the trial team to ensure that all the trial exhibits in the form of documents, audio, video, and graphic demonstratives have been digitized and loaded into the best trial management and presentation program. I will ensure all your trial exhibits will be available for a seamless presentation at the click of a button.

I will appear in court with the attorneys to assist in the seamless electronic presentation of the evidence. I will work closely with the trial attorney to prepare an effective presentation of the evidence during opening statements, direct and cross examinations of witnesses, and closing arguments. I specialize in presenting all the case evidence in an efficient, well organized, and timely manner.
